Seattle Cheese Festival Scholarship Fund Application Form

Program Information

The Seattle Cheese Festival Scholarship Fund awards scholarships to artisan cheesemakers or aspiring artisan cheesemakers seeking continuing education to improve their craft. Potential scholarship awards are up to \$2,500 per recipient.

The scholarship program's purpose is to provide current and future cheesemakers with limited resources the ability to pursue continuing education in areas of study related to cheesemaking. The funds awarded are to be used towards coursework and related materials.

We would recommend applicants attend the Washington State University Artisan Cheesemaking course. However, if you would like to pursue another program, please indicate this preference in your application.

Selection Process

If you would like to be considered for the Seattle Cheese Festival Scholarship, please complete an application and submit to:
